REMARKS                     

                     25X1X

On 13 October 1951, no aircraft were observed at Rangsdorf airfield. Six officers and 20 EM were observed taking physical training and about 50 EM were unloading a coal train. All of the officers and EM wore blue epaulets. The field was guarded by two sentries posted on two watchtowers throughout the day, and by sentries patrolling the hangars and the fence during the night. \*

25X1A

                     Comment. Rangsdorf airfield is not occupied by an air unit. According                      a repair shop for aircraft piston engines is housed in the hangars.
